Ellora's Cave, United States, 2014. Paperback. Book Condition: New. 210 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Dirty Or Die Trapped in a haunted house.three blind ghosts, three blind ghosts, see how they hunt. Ghosts are average when you're a reporter for The Skeptic. But these ghosts are energy vampires. They like fierce emotions-so sex, violence and lust are high on their menu demands. Paranormal reporters Darla and Mason find out that their pent-up, squashed-down lust for each other might just be what keeps them safe in Pike House. The game of survival starts off with a bang-literally-and keeps escalating at a frenzied pace. If they ever get out of Pike House alive, Darla's thinking she might just give her huge, handsome partner a shot. After all, she's lived through much weirder things than love. Automagically It was her sisters fault, really. Their idea that Evie use studly coffee slinger Caleb Mahoney for sex to get over her ex. It was supposed to be simple. Spell him into wanting her, get down and dirty with him, release all her pent-up sexual energy, and then do a simple forgetful spell. Easy magic for three sister witches. No biggie. Right? Wrong. Every time Evie decides to come clean, well.they do it again. And again! It's not her fault.at least, she's pretty sure. Something niggles and itches deep in her brain every time she starts to confess. Is it chemistry or bad magic? Has their simple bang-yourself-happy-again spell gone out of control? Is it amping up automagically? Or is it because the huge, shorn, loveable man-whoda thunk it?-is really good in bed? And the van.and the shower.and the. You get the picture.
