Baker Books. Paperback. Book Condition: New. Paperback. 288 pages. A quiet yet powerful revolution is going on. All over this country and across the world creativity-in the form of visual arts, music, dance, drama, and technology-is providing an emotionally expressive vehicle for communicating truth, developing character, and crossing cultural boundaries to build the kingdom of God. J. Nathan Corbitt and Vivian Nix-Early visited numerous artists, faith communities, and arts organizations to discover and document how the arts are being used to transform people and communities, especially in urban settings. The result is this extensive handbook that combines real-life stories with tested methodologies to create a new paradigm for the role of the arts in Christian ministry and mission. Taking It to the Streets provides church and mission leaders, youth ministers, and students with a historical perspective and theology for understanding the transforming power of the arts, a vocabulary for discussing them outside the sanctuary, and creative methods for bringing faith to action in the streets of society. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
