*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

## MAKE YOUR JOB A CALLING: HOW THE PSYCHOLOGY OF VOCATION CAN CHANGE YOUR LIFE AT WORK

Templeton Foundation Press,U.S., United States, 2013. Paperback. Book Condition: New. Reprint. 220 x 144 mm. Language: English . Brand New Book. Do you ever feel sick of your job? Do you ever envy those people who seem to positively love what they do? While those people head off to work with a sense of joy and purpose, for the rest of us trudging back to the office on Monday morning or to the factory for the graveyard shift or to the job site on a hundred-degree day can be an exercise in soul crushing desperation. If only we could change jobs, we tell ourselves, that would make it better. But we don't have the right education . . . or we don't have enough experience . . . or the economy isn't right . . . or we can't afford the risk right now. So we keep going back to the same old unsatisfying jobs. The wonderful truth, though, is that almost any kind of occupation can offer any one of us a sense of calling. Regardless of where we are in our careers, we can all find joy and meaning in the work we do, from the construction zone flagger who keeps his crew safe to the corporate executive who believes that her company's products will change the world. In Make Your Job a Calling authors Bryan J. Dik and Ryan D. Duffy explore this powerful idea and help the reader navigate the many challenges both internal and external that may arise along the pathway to a sense of calling at work. Over the course of four sections, the authors define the idea of calling, review cutting-edge research on the subject, provide practical guidelines for discerning a calling at all stages of work and life, and...
