

Ultimate Guide to Wilderness Living: Surviving with Nothing But Your Bare Hands and What You Find in the Woods

By John McPherson, Geri McPherson

Ulysses Press. Paperback. Book Condition: new. BRAND NEW, Ultimate Guide to Wilderness Living: Surviving with Nothing But Your Bare Hands and What You Find in the Woods, John McPherson, Geri McPherson, This is the most comprehensive and far-reaching guide to surviving in the woods. Forget reality TV stunts like eating bugs, the "Ultimate Guide to Wilderness Living" provides in-depth instructions and step-by-step photos of real survival skills - exactly what one needs to stay alive in the woods. The book first covers immediate needs like starting a fire, erecting temporary shelter, and finding edible plants. Then it goes beyond other survival books by explaining advanced techniques for long-term living in the wild - using only those things found in nature. The authors show how to make tools by chipping stones, fashion a bow-and-arrow out of tree branches, weave baskets, fire primitive pots, build a semi-permanent shelter, and even tan hides. Finally, the authors explain how to bring all these skills together to live in the wilderness for days, weeks, months, or even years.
