

## Yarn: Remembering the Way Home

Filesize: 4 MB

### **Reviews**

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## YARN: REMEMBERING THE WAY HOME

Gemmamedia, United States, 2012. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book. A memoir of crossing cultures, losing love and finding home by a New York Times Notable author in her prime. Kyoko Mori writes about loss so quietly and wisely, and in a way no other memoirist I've read has ever managed. - Suzanne Berne, *The Ghost at the Table*, *A Perfect Arrangement*, *A Crime in the Neighbourhood* (Orange Prize for Fiction), and *Lucile: My Grandmother in History*, and *Vice Versa*. Sit with Kyoko Mori as she artfully takes in hand needles and fiber, and also the realities of her life story, to knit this gorgeous memoir of loss, emigration, grief, identity and the work of her hands. - Suzanne Strempek Shea, *Sundays in America: A Year-Long Roadtrip in Search of Christian Faith* Kyoko Mori's books are like red dragonflies at sunset. Afterwards, I'm not sure if I really experienced them or if it was a dream. - Henri Cole, Lenore Marshall Poetry Prize author of *Middle Earth* and *Blackbird and Wolf* As steadily and quietly as her marriage falls apart, so Kyoko Mori's understanding of knitting deepens. From the flawed school mittens made in her native Japan, where needlework is used as a way to prepare women for marriage and silence, to the beautiful unmatched patterns of cardigans, hats and shawls made in the American Midwest, Kyoko draws the connection between knitting and the new life she tried to establish in the United States. From the suicide of her mother to the last empty days of her marriage, Kyoko finds a way to begin again on her own terms. Interspersed with fact and history about knitting throughout, the narrative touchingly contemplates the nature of love, loss and what...
