A World of Food: Discover Magical Lands Made of Things You Can Eat!

By Carl Warner

Abrams. Hardback. Book Condition: new. BRAND NEW, A World of Food: Discover Magical Lands Made of Things You Can Eat!, Carl Warner, Carl Warner is a seasoned photographer whose specialty is still life imagery, specifically creatively detailed miniature landscapes constructed exclusively out of edible elements. This volume collects twelve photographs, each one showing young readers what the world would look like if there were only a single colour. In one tableau, Carl shows that if everything were yellow, you might find a desert scene with golden sand made of crushed cereal, palm trees built out of pasta, pyramids crafted out of swiss cheese and rocks that were actually yellow tomatoes In an orange world, you might discover a pumpkin cottage surrounded by carrot trees and apricot leaves. The book culminates in a spectacular rainbow hued scene. Accompanying each image is a poem and some brief text that guides the reader through the picture and identifies the various elements that make up the scene. It's a perfect book for parents with fussy' children to look at together and discover and name all t he various foods that make up Warner's fantastical universe, making them both exciting and less 'scary'.
