### Reviews

*A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.*

Createspace, United States, 2014. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. You can always retake a class, but you can never relive a great party. This was our mantra as a rugby team at The University of Alabama. We treated every day as a party and we didn't care what anyone thought. Flaming Assholes is a raunchy recount of the day-to-day activities that took place from the year 2001 to 2004. The book depicts how our team made the USA Today, the run-ins with local and not-so-local police, and why the City of Tuscaloosa changed codes because of us. The book also delves into the destruction of property; stolen vehicles; and broken hearts, spirits, and faces. Flaming Assholes contains nothing but debauchery, immoral decisions and actions, and really nothing having to do with the sport of rugby. Our rugby team was full of degenerates looking for ways to act as such. Every day was an adventure and this book is a recollection of the most memorable, yet lewd, stories about this team. Put your humility and dignity aside -- we didn't have any. Thus, the reader shouldn't either. If you're easily offended, this book is probably not for you. If you are not one for caustic or abrasive language, go read something else. Seriously.
