Christiansburg, Virginia

By M Anna Fariello, Kate Rubick

Arcadia Publishing (SC), United States, 2005. Paperback. Book Condition: New. 234 x 160 mm. Language: English . Brand New Book. Images of America: Christiansburg is a finely tuned compilation of photographs depicting the growth and character of a rural, southwestern Virginia community. Christiansburg proper is situated along the edge of a verdant plateau that rises between the Allegheny and Blue Ridge Mountains and is incorporated into the New River watershed. Early settlers were attracted to the region s rich alluvial soil and tempered climates. By the mid-18th century, permanent homesteads began to dot the gentle landscape and the town was officially incorporated in 1792. These photographs follow Christiansburg from its beginnings as a popular stagecoach stop to the 20th century, documenting progress in education, industry, and commerce.

Reviews

This is the finest book i have got study till now. It usually does not price a lot of. I found out this publication from my i and dad encouraged this book to understand.
