Editor's conception of this book lies in the face that we are aware of the current improvement of public the challenges faced in the space environment. Urban space is a very large. very complex complex. it deserves a thorough. comprehensive or even a long process. it requires a dedication. a patient. a kind of courage. Is not just an immediate need of the development and construction of urban space. a space environment is not a good-looking props. Summary This book shows public space in America today more than a dozen well-known cities in the environment. as well as one of the many large and small spatial elements. and these elements or partial series together formed a systematic concept of space: The building is no longer unique. it is a...
