Farrar, Straus and Giroux, United States, 2015. Hardback. Book Condition: New. 212 x 142 mm. Language: English . Brand New Book. A vibrant, intimate, hypnotic portrait of one woman s life, from an important new writer Tess Lohan is the kind of woman that we meet and fail to notice every day. A single mother. A nurse. A quiet woman, who nonetheless feels things acutely a woman with tumultuous emotions and few people to share them with. Academy Street is Mary Costello s luminous portrait of a whole life. It follows Tess from her girlhood in western Ireland through her relocation to America and her life there, concluding with a moving reencounter with her Irish family after forty years of exile. The novel has a hypnotic pull and a steadily mounting emotional force. It speaks of disappointments but also of great joy. It shows how the signal events of the last half century affect the course of a life lived in New York City. Anne Enright has said that Costello s first collection of stories, *The China Factory*, has the feel of work that refused to be abandoned; of stories that were written for the sake of getting something important right . . . Her writing has the kind of urgency that the great problems demand ( *The Guardian* ). Academy Street is driven by this same urgency. In sentence after sentence it captures the rhythm and intensity of inner life.
