

Homunculus: Fairy Tales for Adults

Filesize: 5.46 MB

Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.

(Newton Runolfsson)

HOMUNCULUS: FAIRY TALES FOR ADULTS

[DOWNLOAD](#)

Istros Books. Paperback. Book Condition: new. BRAND NEW, Homunculus: Fairy Tales for Adults, Aleksandar Prokopiev, Will Firth, Homunculus is billed as a collection of sixteen 'fairy tales for adults' with something for every reader. The author has largely retained the classical fairy-tale structure with its elements of surprise and the constant intertwining of the real and unreal, but he transcends the sugar-sweet endings we are familiar with. Along with typical fairy-tale features like the interplay of humans and animals, he presents us with a wide range of more mature themes - the erotic, the tragic, the absurd - set amidst dichotomies on an adult wavelength: mythical vs. urban, banality vs. wisdom, as well as issues of guilt and longing. Some of the stories are related to existing internationally known fairy tales such as 'Tom Thumb', where the main character struggles with an oedipal bond with his mother, or 'The Huntsman', told from the perspective of the hunter sent out to kill Snow White. Others go back to Macedonian folk roots or have been freely composed by Prokopiev himself, but all of them are rendered with humour, skill and a noticeable love of life!.
