Brand New Book ***** Print on Demand *****.Thank you for your interest in the 5 Minute Home Invasion Defense Plan featuring the 25 Item Check List. I congratulate you for having the vision of preparing to defend yourself and your family. You are perceptive by understanding the dangers of the world we live in and moving forward to protect yourself. Many of us went off to college to get an education. But unfortunately college doesn t teach us how to actually live in this world, or how to deal with the dangers of the world. The concepts in this book are simple and easy to execute, but somehow they are rarely discussed and combined together into a plan of action. The 25 items on the list individually are very simple, but when you combine them together they have the ability to become a great synergy of protection to you and your family. This book gives you information. Pick and choose what applies to your lifestyle and situation and implement a plan. You are in control. You are responsible for you and your family s safety. Please note: Implementing some or all of the suggested 25 items does not guarantee that you will not suffer a home invasion. There are no guarantees in life. But implementing some or all of the 25 suggested items will statistically reduce your risk and give you a better chance to not suffer a home invasion. You have a unique opportunity. You have opened the door and are stepping into a special segment of self reliance. good luck on your journey and be safe! Glen Ekstrom.
