Brand New Book ***** Print on Demand *****.It s not the size of the dog in the fight, it s the size of the fight in the dog. Bannon s Gym, Book 3 As a child, Tom Delaney did the best he could to protect his mother from his abusive father, but her eventual suicide left him a guarded and wary man who s still carrying around a metric ton of baggage. At Bannon s Gym, Tom learned how to take back his power, and found love with fellow mixed martial arts fighter Travis Gallagher. Yet Tom can t bring himself to take their relationship to the next level. Not if moving in together means leaving behind Gloria, his surrogate mom, who s desperately ill. When Gloria s son, Eddie, hires an out-of-work nurse to care for Gloria, Tom is out of excuses-and afraid he s being pushed out of his family of choice. That fear explodes in a violent sparring session that leaves Travis with a broken nose and Tom on the brink of getting booted out of Bannon s Gym for good. When tragedy strikes, Tom realizes it ll take more than fists to conquer his fears, or he risks losing everything-his fighting career, his family, and the man he loves. Warning: Sweat- and testosterone-drenched alpha males ahead! More angst than an entire season of Downton Abbey! Wear a helmet-this could get messy!.
