Mommy, what was my name? the little dark-haired child with deep brown eyes asked her mommy. The sound of waves echoed on the beach. Well, your birth mother named you Victoria, honey. Mommy gathered her closer in a hug. Several deeply personal questions surface when adopted children grow up knowing they were indeed adopted. This is one such book that answers those questions that a child Cali asks regarding her birth name. Cali wants to know how she acquired her present name. Momma explains, giving answers to Cali s questions as she asks them, paying close attention to her tender young age. The story is handled in a sensitive and loving manner.
