Areopagus, The. Paperback. Book Condition: New. Paperback. 42 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. We are often reminded that we live in a post-Christian culture, but most Christians fail to understand that we are losing the culture war in America because we have essentially forfeited the intellectual war. Ideas have consequences, and history has shown that what is intellectually respectable becomes, over time, socially acceptable and culturally normative. Many evangelical churches emphasize theology i. e. , those biblically-based doctrines that define the Christian faith. But few emphasize apologetics i. e. , why Christians should believe these things. In the vast majority of churches, neither adults nor young people are challenged to explore in any real depth the factual and rational bases for the Christian faith. The goal of the Christian life is not to be an intellectual but to be like Jesus. Spiritual maturity, not intellectual brilliance, is what ultimately matters. But in Jesus we find a man who was motivated not only by love and compassion but also by truth. As our ideal, we find in him someone who lived in perfect spiritual harmony with God the Father, and as our model, we find in him the perfect integration of passion, intellect...
