Back in the childhood home that holds all of her memories from before life showed her that happily ever afters don t come easy, she is unsure of what the future holds. The one thing she definitely wasn t expecting was Kyden McCabe, the hot, tattooed and pierced musician she meets her first night back. All she ever wanted as a little girl was to be swept off her feet by a prince, but Ky is nothing like the heroes from the stories her mom used to read to her. He s arrogant, frustrating and completely wrong for her. He lives his life one night stand at a time and she knows he s nothing but trouble. Still haunted by her past and afraid to let anyone see the scars she hides, she fights the attraction she feels for Kyden and wonders if she ll ever find her storybook ending. Then a monster from her past threatens to rip away her chances before she realizes that maybe she already found it.
