Kyandara Publishing, United States, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Entheologues presents a fascinating collection of interviews with top figures in the entheogenic field. James Oroc talks about God, 5-MeO-DMT, zero-point energy and the Akashic Field. Rick Strassman discusses his new book and shares the surprising results of his DMT study, along with his hopes for an entheogenic research center. Jan Irvin and John Rush discuss the roles of psychedelic mushrooms and other visionary sacraments in Christianity, Judaism, and Islam. In the final interview, Daniel Siebert gives a detailed history of Salvia divinorum. Completing the book, Martin W. Ball makes a strong case for the human right to entheogen use as religious sacraments. Was Jesus a psychedelic mushroom? Do DMT experiences send people into alternate realities? What is the legal status of entheogens for spiritual use? Why are there so many mushroom images in Christian art? Can 5-MeO-DMT bring about realization of God? These questions and more are answered in Entheologues.
