iUniverse, United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There is no universal purpose in life. Everyone has their own reason for being here and their own purpose in life. What is my purpose? Why am I here? What is the meaning of my life? Although these questions come up again and again throughout life, when midlife hits we finally admit to ourselves that without concrete answers and real changes our lives will never be complete. Is YOUR Mojo Working? The word mojo is derived from the African (Congo region) word moyo, which means soul or life-force. Mojo is your life-force. One of the greatest truths is that life is difficult. When you finally recognize this truth, you begin to question your existence. To transcend this life-altering moment you need to discover your purpose in your life. Once you've found your Mojo, life is no longer difficult because you have found your purpose, and the difficulties no longer matter. Get YOUR Mojo working! Midlife Mojo will spark action and change. It will help you find answers to your questions, no matter what they are, and promises to aid you in achieving peace of mind and success. Midlife Mojo is not your typical self-help or how-to book, but is a to-do book. Author Frankie Picasso speaks not only through her extensive education, but through life-altering experience as well. Midlife Mojo is a collaboration between Frankie Picasso and you. With Midlife Mojo you will rise from mid-life angst to find true meaning in your life.
