Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

iUniverse, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Marie and Betty are roommates and best friends who attend the University of Toledo. Marie is a psychology major who finds true love and romance. Betty is a music major who loves not only music but singing and dancing. One night Marie and Betty go to a night club that changed their lives. Marie meets a young man who looks like her long time heartthrob Chuck Fields and Betty enters a singing contest for her love and passion for singing. Marie and Chuck begin a beautiful romance, while hiding a spiritual secret. I wrote INNER MIND based on some of my own personal experiences. INNER MIND also explores love and romance between Marie and Chuck that will make readers also fall in love with both characters. INNER MIND is an excellent story that is breath-taking and beautiful. It creates a piece of mind for the reader and helps them find themselves spiritually at peace in knowing the true name of our spiritual Father.
