CSS PUB CO, United Kingdom, 2002. Paperback. Book Condition: New. Revised. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****. When someone whom we cared about is suddenly gone from our lives, it can be devastating. The grieving process can stretch over several months. Here is a tested and proven resource for those who need a daily companion during such a time of loss. The author provides daily readings for sixteen weeks following the loss of a significant other. The promises of God in Jesus Christ are central in each message. My wife and I found this book most helpful when we were struggling with our grief following the lightning bolt death of our 25-year-old son. We found The Lonely House to be a source of real comfort.
