

The Gothic Tales of the Marquis de Sade

Filesize: 7.11 MB

Reviews

Comprehensive manual for ebook fans. I am quite late in start reading this one, but better then never. Its been written in an exceptionally basic way and is particularly merely soon after i finished reading this publication in which really changed me, affect the way in my opinion.

Peter Owen. 1 Paperback(s), 2011. soft. Book Condition: New. The notorious author of pornographic novels, the Marquis de Sade (17401814) was condemned as a sexual pervert and spent much of his life in prison; only in recent times has he come to be seen as one of the most misunderstood writers of his day. The stories in this collection are among his most accessible, from the dramatic novella Eugenie de Franval, in which a father's criminal passion for his daughter leads to intrigue, abduction, and murder, to comic tales like "The Husband Who Plays Priest," concerning a lecherous monk who finds a clever way to combine clerical duties with secular pleasures. De Sade's gifts as a humorist are well represented here, as are his particular delight in unusual marital situations."This book is indispensable reading to de Sade enthusiasts, and is also the best possible introduction for those who are not yet familiar with [his] work."Literary Review 183.
